Vision. Growth. Excellence

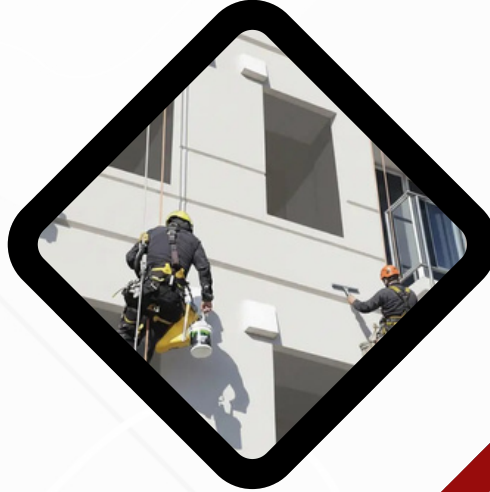

Message from the CEO

At B & N Self Vision (Pty) Ltd, we believe that success is built on quality, reliability, professionalism and trust. Since our establishment in 2017, we have remained committed to delivering cost-effective and dependable construction, maintenance, engineering, transport and support services to our clients.

Our focus is on understanding our clients' needs and providing practical solutions that meet high standards of quality, safety and efficiency. We value our people and are committed to skills development, employment opportunities and responsible business practices.

As we continue to grow, we aim to build lasting partnerships with our clients, suppliers and communities while contributing meaningfully to infrastructure development and economic growth across South Africa and the African continent.

Thank you to our clients, and business partners for their continued trust and support. We look forward to creating greater value and achieving continued growth together.

Our Background

Our History..

B & N Self Vision (Pty) Ltd is a proudly South African company established in 2017 with a commitment to delivering professional, reliable and cost-effective solutions across multiple service sectors. Over the years, we have built a reputation for quality workmanship, customer satisfaction and dependable service delivery.

We provide a comprehensive range of technical, maintenance, construction, logistics and support services to residential, commercial, industrial and government clients. Our experienced team is dedicated to completing every project safely, efficiently and to the highest professional standards.

Through innovation, integrity and continuous improvement, we strive to be a trusted partner for businesses and individuals seeking quality services under one roof.

Our Vision..

To become a leading multi-disciplinary service provider recognised for quality, reliability, innovation and professional service.

To expand our footprint across South Africa and Africa through strategic partnerships, sustainable growth and diverse service capabilities.

To create lasting value for our clients and communities by delivering innovative solutions, developing people and contributing to infrastructure and economic development.

Our Mission

To deliver quality, reliable and cost-effective services that consistently meet and exceed our clients' expectations.

To promote professional, safe and innovative service delivery through skilled people, efficient processes and continuous improvement.

To contribute to sustainable economic and infrastructure development by creating opportunities, building partnerships and delivering lasting value across South Africa and Africa.

Our Core Values

Integrity

We conduct our business honestly and ethically.

Excellence

We strive for exceptional quality in every project.

Reliability

We deliver services on time and according to agreed standards.

Professionalism

We maintain high standards of conduct and workmanship.

Customer Satisfaction

Our clients are at the centre of everything we do.

Innovation

We continuously seek better solutions and improved service delivery.

Our Commitment

Our goal is to build long-lasting relationships with our clients through professionalism, integrity, quality workmanship and exceptional service delivery. We are committed to providing solutions that add value, improve operational efficiency and contribute to the success of every project we undertake.

Areas of Operation

B & N Self Vision (Pty) Ltd is headquartered in Saxonwold, Johannesburg, South Africa, and provides services throughout South Africa and across the African continent.

South Africa

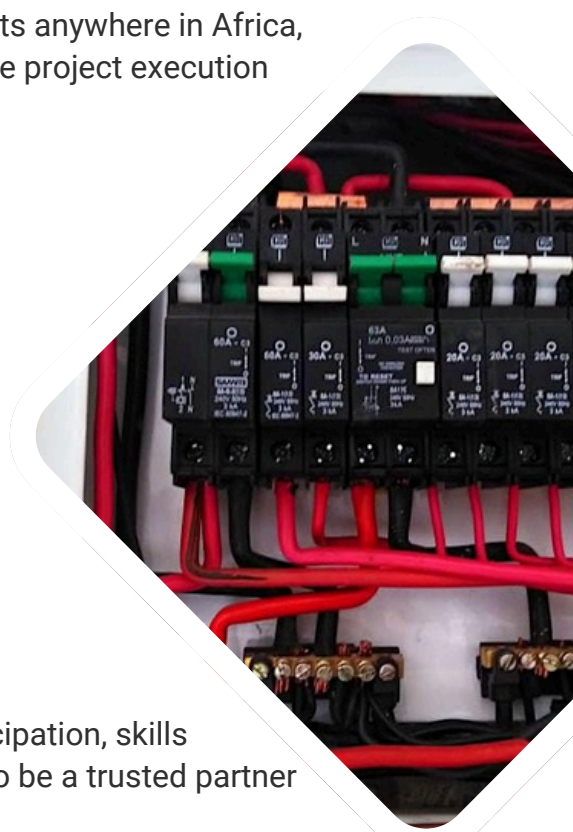

We provide services across all nine provinces, including:
Our extensive service capability allows us to undertake projects anywhere in Africa, providing professional support, technical expertise and reliable project execution regardless of location.

Our Commitment to Africa

As a proudly African company, **B & N Self Vision (Pty) Ltd** is committed to supporting infrastructure development, economic growth and service excellence across the continent.

We continuously seek opportunities to build lasting partnerships and deliver world-class solutions that contribute to the development of African communities, businesses and industries.

We aim to create sustainable opportunities through local participation, skills development and responsible business practices. Our goal is to be a trusted partner in Africa's continued growth and development.
